AZUMANO TRAVEL GAINS NATIONAL RECOGNITION AS A TOP DIVERSITY BUSINESS, RANKS #1 IN OREGON

PORTLAND, OREGON (December 13, 2006)— In recognition of the economic power of multicultural businesses, DiversityBusiness.com, the nation's leading multicultural internet site, recently named Azumano Travel as one of the "Top 100 Diversity-owned Businesses in the United States (Div 100)." Azumano ranked #24 in the Nation and #8 among Asian-American businesses. Azumano ranked #1 among Diversity-owned Businesses in the State of Oregon.

The Div100 is the 7th annual listing of the nation's top 100 diversity-owned businesses. Ranging in revenue size from \$59 million to 2.6 billion, the companies listed on the Div100 represent the Nation's top multicultural earners and challenge the long-held notion that a diversity-owned business is small or insignificant. Div100 members are sought after by major corporations wishing to increase spending with diversity owned companies.

"Diversity businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."
